4-1-6d1mw generally mixed on one ear. Not to improve at once, and after taking

ness of the membrane or lining of the nose, discharge of mucus matter, headaches, neuralgia and difficult breathing, and even in this early stage is almost intolerable But when the filthy secretions begin to drop back into the throat and stomach, and the blood becomes polluted and the

system contaminated by the catarrhal poisson, then the sufferer begins to realize what a disgusting and sickensing and sickensing disease Catarrh is first the bedness of t It affects the kidneys and stomach as well as other parts of the body. It is a constitutional

disease and as inhaling mixtures, salves, ointments, etc., are never more than palliative or helpful, even in the beginning of Catarrh, what can you expect from such treatment when it becomes chronic and the whole system affected? Only such a remedy as S S S can reach this obstinate, deep-seated disease and purge the blood of the catarrhal poison S. S. S purifies and builds up the diseased blood, and the inflamed membranes are healed and the excessive secretion of mucus ceases when new rich blood is common to the diseases.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

when new, rich blood is coming to the diseased parts, and a permanent cure is the result S S S is guaranteed purely vegetable and a reliable remedy for Catarrh in all stages. Write if in need of medical advice, this will cost
